Classic Series Cabinets

Nothing completes the hearth like a finely crafted wooden cabinet. Unlike a traditional mantel, a hearth cabinet doesn't require marble, tile or other surround facing - it's easy to install. So choose your style, choose your finish, and make your fireplace something special. The classic looks from the Classic Series Cabinets will easily fit into any décor.

Forester Cabinets

The Forester cabinet includes a three inch hearth base and is available for both flat wall and corner applications. This easy-to-assemble cabinet is offered in Honey Oak, Unfinished Oak, and a Primed, ready for Paint finish, allowing the homeowner to personalize the cabinet to any décor. The Forester is suited for selected Direct Vent, Vent-Free and Electric Fireplaces, it includes all hardware necessary for assembly.
